Tankless Water Heater

Descaler Pump Kit

55
WATT

MOTOR

APPLICATION

The nForcer® Descaler Pump Kit is designed to remove scale, lime, mineral deposits and rust from tankless water heaters. Regular descaling will improve heat transfer and efficiency. The solution is non-toxic, biodegradable, non-flammable and completely safe for equipment.

FEATURES

- Energy efficient 55 watt mag drive pump with removable screen & 25' power cord
- 3.5 Gallon pail with screw top lid for easy access & storage
- Two - 6' stainless steel hoses for durability
- Bucket filter grate to protect pump from larger debris
- 7-oz descaler powder - Just add water
