

PREMIUM KNEELING MAT

Product Features:

- One-inch thick premium NBR rubber (20% recycled).
- Infused with Microban to protect from mold.
- Easy-carry handle allows for movement and storage .
- Comfort and pain relief for all of your jobs.
- Resists industrial chemicals, grease, and oil.

You have a job to do that requires you to get closer to the ground. **Plumbing, Electrical, Industrial, Automotive**, and other jobs require you to kneel on a hard surface which is painful and makes the job harder than it needs to be. The Mainline Kneeling Pad allows you to work more comfortably keeping you “feeling good at work” during and after the job.
