

# Valve Grease

## Product Specifications

✓ To Submit	Part No.	Size
	ML15055	1.7 oz.

## Description

Mainline Valve Grease is a special combination of lithium soaps, solvent refined base stocks and additives. Formulated for many plumbing applications. Makes hard turning faucets work smoothly. Lubricates stems of faucets, valves, ballcocks etc. Waterproof. Because of the special additives, the metal parts are also protected against rust, oxidation and corrosion. Will not melt like ordinary grease. Temperature range use from -20°F to +250°F. Not for use on rubber or synthetic O-rings.

## Directions for Use

- For best results clean and dry surfaces before application.
- Apply grease by hand or brush.

### CAUTION

Keep out of reach of children and pets. Do not allow to be taken internally. If swallowed, seek immediate medical attention. Do not induce vomiting.

### MSDS
